Your incident has been updated, see New Note information below.

If you would like to respond to this ticket, you can reply to this email or login to the SpartanNet or Employee Portal and click IT Help.

New Note:

Tim,

Please see the info below for the 15 guest accounts that you need on 9/29. There are special instructions that you will need for connecting anyone with Windows 7. I will attach those instructions to this ticket in the event that you need them.

1. Connect to the "SpartanWiFi" wireless network.
2. Log in with the Username and Password below.
3. You may be prompted with a security or certificate warning. You can safely accept it.

NOTE: Windows 7 requires special steps to connect to this network. [Click here for those instructions.](#)
