Gentlemen,

Thanks again for meeting with me earlier today. Attached is a brochure listing the various services we provide.

Thanks,
Kent

Randy and Kent,

11:30 am is good with me. Being at the dentist is not my most favorite thing to do.

Randy and Kent,

I am open to a meeting. Like Randy, my schedule is reasonably open for the next couple of weeks.

Hi Kent, meeting in person is an option. I would like to include Tim Preuss in that meeting. I'm include him in this email and hopefully we can decide on a time. My schedule right now is fairly flexible. Thanks, Randy.

Hi Randall,

Thanks for your response. I have posted job opportunities on the state website in the past with zero success. That's why I thought I would reach out to you and try a more direct approach. If you have the time and are willing to get together I would like to discuss this further.

Let me know if that is an option.

Thanks,

Kent

Hi Kent, thanks for your interest in our students. We may be able to find time to get together before the fall semester starts. I will also try to include additional department members, depending on schedules and your interest in either

programming or technical support.

If you have any current positions or internships that you would like our students to be aware of, they may be posted on MState's careers website at: <http://careers.minnesota.edu/>. We have recommended that our students use this site over the summer as a means of keeping connected.

Again, thanks for your interest, and let me know how I can help. Randy Johnson.

Hi Randall,

I received your contact info from James Anderson at the City of West Fargo. I would like to discuss some potential employment opportunities we have that may be of interest to students.

Please let me know if we can set up a time to discuss it.

Thanks,

Kent
